COVID Safety Plan & Procedure for Framingham Parks & Recreation Swim Team

SWIM TEAM

GENERAL GUIDANCE

- Swimmers will enter the pool from Door # 13
- Locker Rooms will NOT be available
- Maximum of 45 people will be allowed on pool deck and in pool per practice*
- Masks must be worn onto and off of the pool deck
- Masks must be removed prior to entering the pool
- A limited number of swimmers will be allowed per lane*
- Coaches will have the choice to wear face shields or face masks
- 1 parent per family allowed in stands during practice & meets
- Parents must social distance and wear masks
- Parents may not come onto pool deck
- Swimmers will meet parents in stands at the end of their lesson
- Swimmers and Parents will exit the facility through Door # 12

PRACTICE FLOW

- Swimmers will arrive wearing appropriate bathing attire & enter the pool deck from the door located in the back hallway (door #13)
 - o Parent will meet coach at pool deck door, drop off swimmer, walk up ramp (in hallway), and enter the pool from the main hallway. Parents must remain in the stands. Masks will be mandatory. Parents will be asked to keep 6' socially distanced while observing.
- At the end of practice, swimmers will be asked to meet their parent in the stands, put their mask on, and exit the facility through the main hallway (door #12)
- Masks will be required anytime a swimmer is not in the water
- When entering & exiting the pool, students will do so 1 person at a time
- All shared equipment (ie. kickboards, fins, etc.) will be sanitized after use
- Swimmers will utilize the entire pool to ensure distancing while in the water

*** It is our intent to revisit how many swimmers to allow on the pool deck and in the water as the season progresses. It is our goal to offer as many swimmers the opportunity to participate safely.**
